The directors present their annual report and the audited financial statements for the year ended 31 December 2017.

Principal activities

The company was established to administer artists intellectual property rights. The principal activity of the company is to ensure that performers receive their full entitlements to income in Ireland following the introduction of the Copyright and Related Rights Act 2000 and in other countries where Copyright legislation protects the performers. The company acts as an agency, collecting and distributing these monies due to performers. Its income is derived from an agency fee received from PPI (Phonographic Performance Ireland Limited), however due to a dispute with PPI no agency fee was paid in 2017, and an administration fee charged on domestic distributions of performers' income on a cost recoupment basis.

Results and dividends

The profit for the year, after taxation, amounted to €NIL (2016 - €NIL).

Directors

The directors who served during the year were:

Patrick Cole
Andrew Basquille

Business review

Recorded Artists Actors Performers (RAAP) is a member-owned not for profit organisation dedicated to the collection and distribution, both here in Ireland and from around the world, of royalties generated from the broadcast, public performance and cable transmission of recorded performances.

In 2017 the company collected and distributed over €4.8 million to 26,000 performers, paying more than €3.7 million of that total to RAAP members.

The company has representation agreements in 49 countries, listed below and plans to conclude for more bilateral agreements in 2018:

The U.S. market is now by far the biggest single source of royalties for members. The company received circa €1.2 million in 2017, with 32% of the total foreign income coming from this territory. The company has Q.I. status (Qualified Intermediary) from the United States Inland Revenue Service (I.R.S.) and our members can now benefit from a zero rate withholding tax from royalties generated out of the U.S., as opposed to the 30% rate that can apply to non Q.I. entities.

**DIRECTORS' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 DECEMBER 2017**

As the number of rights that the company manages expands, and new territories introduce I.P. rights for performers, there is a need to put in place an International Recording Database to assist in this increased administration of these rights and so ensure that right holders receive their Incomes in a fast, efficient, transparent, and economical manner.

RAAP is involved in the development of this cross border data processing project (V.R.D.B.2.0). The system will adopt a standardised exchange protocol and will go live in December 2018.

RAAP continues to provide financial support to projects that promote Irish music and musicians. We continue our involvement with the Choice Music Irish Album of the Year awards, and at community level we support local initiatives.

The company will continue to review their role in the area of sponsorship and make interventions when we believe that we can make a significant contribution that will benefit recording artists and performers.

At European level the company has joined a core group of performer organisations including FIM (the Federation of International Musicians); FIA (the Federation of International Actors), and AEPO-ARTIST (the Association of European Performer Organisations) to task the European Commission to provide protection to artists for on-demand services, in particular streaming services.

The campaign Fair Internet for Performers is an ongoing campaign and we urge all our members to sign the online petition at www.fair-internet.eu

RAAP is currently in dispute with PPI a licensing body for record producers in Ireland over the share as between performers and producers of the income collected in Ireland for the broadcast, public performance and cable transmission of recorded performances.

Events since the end of the year

There have been no significant events affecting the company since the year end.

Future developments

There are no significant future developments planned which would impact the company.

The accounting information included in the Annual Transparency Report is defined in Regulation 20(5) of the Directive, which comprises the financial statements specified in Part 1 of the Schedule (Information to be provided in the Annual Transparency Report) to the Directive, on which we opined on 29 June 2018 which included an Emphasis of Matter paragraph but did not modify our opinion in this respect. Our opinion is reproduced on pages 10 to 12 of this annual Transparency Report, and the financial information specified in Part 2 and 3 of the Schedule to the Directive ("accounting information").

Respective Responsibilities

As a collective management organisation, you are responsible for the preparing of the Annual Transparency Report, including a special report as required by Regulation 20(1) of the Directive for each financial year no later than 8 months following the end of that financial year. As directors of RAAP, you are responsible for ensuring that RAAP keeps, or causes to be kept, adequate accounting records allowing the preparation of the Annual Transparency Report for each financial year that fairly presents the activity of the Company.

Our responsibility is to review the accounting information included in the Annual Transparency Report and provide a limited level of assurance on whether anything has come to our attention, based on the procedures performed and evidence obtained, that would cause us to believe, in all material respects, that the accounting information included in the Annual Transparency Report is not fairly stated and complies with the requirements of the directive.

Assurance work performed

Our work was conducted having regard to the International standard on Assurance Engagements 3000 (revised) "Assurance Engagements other than Audits or Reviews of Historical Financial Information" ("ISAE 3000") issued by the International Auditing and Assurance Standards Board.

We were not required to carry out an audit conducted in accordance with the International Standards on Auditing (UK and Ireland). Consequently our conclusion is not expressed as an audit opinion.

In accordance with ISAE 3000, we confirm that we apply International Standard on Quality Control 1 and accordingly maintain a comprehensive system of quality control including documented policies and procedures regarding compliance with ethical requirements, professional standards and applicable legal and regulatory requirements.

We also comply with the independence and other ethical requirements of the Code of Ethics for the Professional Accountants issued by the International Ethics Standards Board of Accountants.

We planned and performed procedures to obtain limited assurance on whether anything has come to our attention, based on the procedures performed and evidence obtained, that would cause us to believe, in all material respects that the accounting information included in the Annual Transparency report is not fairly stated and complies with the requirements of the Directive.

The procedures we performed are included in Appendix I to this report

INDEPENDENT AUDITORS' REPORT TO THE SHAREHOLDERS OF RECORDED ARTISTS ACTORS
PERFORMERS COMPANY LIMITED BY GUARANTEE (CONTINUED)

Respective responsibilities

Responsibilities of directors for the financial statements

As explained more fully in the Directors' responsibilities statement on page 6, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Auditors' responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (Ireland) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the IAASA's website at: [https://www.iaasa.ie/Publications/ISA-700-\(Ireland\)](https://www.iaasa.ie/Publications/ISA-700-(Ireland)). This description forms part of our Auditors' report.

The purpose of our audit work and to whom we owe our responsibilities

This report is made solely to the Company's members, as a body, in accordance with Section 391 of the Companies Act 2014. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an Auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2017

The financial statements have been prepared in accordance with Financial Reporting Standard 102, the Financial Reporting Standard applicable in the UK and the Republic of Ireland and Irish statute comprising of the Companies Act 2014.

The preparation of financial statements in compliance with FRS 102 requires the use of certain critical accounting estimates. It also requires management to exercise judgment in applying the Company's accounting policies.

The following principal accounting policies have been applied:

1.2 Turnover

Turnover comprises an agency fee receivable from PPI (Phonographic Performance Ireland Limited) (however due to the dispute with PPI no Agency fes was paid in 2017) ,and an administration fee charged by performers against domestic and foreign distributions.

1.3 Tangible fixed assets

Tangible fixed assets under the cost model are stated at historical cost less accumulated depreciation and any accumulated impairment losses. Historical cost includes expenditure that is directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

Depreciation is charged so as to allocate the cost of assets less their residual value over their estimated useful lives, using the straight-line method.

The estimated useful lives range as follows:

Motor vehicles	- 20%
Fixtures fittings and equipment	- 15% - 25%

The assets' residual values, useful lives and depreciation methods are reviewed, and adjusted prospectively if appropriate, or if there is an indication of a significant change since the last reporting date.

Gains and losses on disposals are determined by comparing the proceeds with the carrying amount and are recognised in the Statement of comprehensive income.

1.4 Debtors

Short term debtors are measured at transaction price, less any impairment. Loans receivable are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using the effective interest method, less any impairment.

1.5 Cash and cash equivalents

Cash is represented by cash in hand and deposits with financial institutions repayable without penalty on notice of not more than 24 hours.
